

## *Butz Hall*

### *In the Center of it All!*

When you live in Butz Hall you also live in the center of campus and all its activity! Not only does Butz Hall have a great layout — with lots of window space and plenty of light — but the hall also is a popular gathering space for students and activities. Spend your time in the Butz Fireside Lounge and make an impromptu dinner with your friends. Stop by the student space on the lower level of Butz to visit the Multicultural Center, to work with “The Crestiad” student writers and editors as they put together this week’s edition of the paper or sign up for your own slot as a DJ on the College’s radio station. Plus the Tompkins College Center is right next door! You don’t have far to go to reach the dining hall, theatre, bookstore and other activities (like Pilates, yoga, swimming, etc.) that are also close by. At Butz Hall, you will be part of a large family that likes to have fun and enjoy everything the campus has to offer.

Each room features a standard twin bunkable bed, desk, chair, closet and book shelf for each resident, full length mirror, trash can, overhead lighting and blinds/shades for the windows. In addition, a computer lab, laundry room with free washers and dryers, study areas, vending machines and kitchen facilities with refrigerators, microwaves and stove are available. Also, cable and Internet access is available in each room. Wireless internet is available throughout the building. Community televisions are equipped with cable. Bathroom facilities on each floor are shared.
