

Curtis Hall

Quiet Convenience!

Roll out of bed and right into class by living in Curtis Hall! One of the College's most stately buildings, Curtis is a multi-use facility with residences on the third floor and academic and administrative offices right below. If you are looking for a quiet, studious community, Curtis may be the best place for you. Curtis Hall features some of the most spacious rooms on campus – plus all the beds are easily converted into lofts, giving you even more room for you to personalize your living space. Living here, you will have easy access to many academic departments – including psychology, social work, education and business – as well as Health Services, the Registrar's Office, Academic Services and more!

Each room features a standard twin bunkable bed, desk, chair, closet and book shelf for each resident, full length mirror, trash can, overhead lighting, blinds/shades for the windows and a carpeted floor. In addition, a computer lab, laundry room with free washers and dryers, study areas, vending machines and kitchen facilities with refrigerators, microwaves and stove are available. Also, cable and Internet access is available in each room. Wireless internet is available throughout the building. Community televisions are equipped with cable. Bathroom facilities on the floor are shared.
