Cedar Crest College's Four-Year Graduation (4YG) Guarantee is open to all academically qualified candidates enrolled full-time in a 4year bachelor's degree program, with the exception of Nuclear Medicine Technology. It does not apply to dual degree, fifth-year, or graduate programs. Provided students comply with all of the conditions of the program, Cedar Crest College will guarantee graduation within four years. The guarantee extends to one major only. While many students add additional majors and minors and finish within four years, Cedar Crest will not be able to provide four year guarantee in those cases.

## Conditions

By signing below, $\qquad$ is enrolled in the 4YG program for the Environmental Conservation (BS)
major under the 2014 catalog requirements and agrees to

- assume ultimate responsibility for monitoring academic progress and the completion of all academic requirements;
- enroll at Cedar Crest for four continuous academic years;
- remain in good academic standing;
- complete an average of 30 new credits in each academic year. Courses must be selected in consultation with her academic advisor and 4YG coordinator and must apply to the recommended course sequence on page 2;
- maintain the GPA requirements of the Environmental Conservation (BS) major and Liberal Arts Curriculum;
- meet regularly with her assigned academic advisor and 4YG coordinator following the schedule outlined below;
- resolve all outstanding holds that would prevent registration prior to the start of registration for each semester;
- register for classes each semester on the date appropriate for class standing as set forth by the Registrar;
- be responsive to communication from Cedar Crest College, including advisors and the 4YG coordinator;
- officially declare an Environmental Conservation (BS) major by the completion of 30 credits. If a change of major is requested after 30 credits, the ability to sign a new 4YG contract is not guaranteed.
- complete the following and all other Environmental Conservation (BS) major requirements:
- Earn a 2.0 cumulative GPA and 2.0 GPA in the major.
- Earn a C- or higher in all courses taken for major requirements.
- Earn a C- or higher in all prerequisite courses before proceeding to subsequent courses.
- Complete the freshman core during the first year of enrollment; the sophomore core during the second year of enrollment; BIO 350 in the third fall semester; and BIO 356 in the fourth fall semester.
- Begin the CHE 111, 112, 205, 320 (or 206) sequence no later than the fall of junior year.
- Abide by all other departmental policies and successfully meet all other graduation requirements.

The 4YG does not guarantee that courses will be offered at a particular time or on particular days, nor can it assure graduation in four years if accreditation agencies require immediate curricular changes. This agreement pertains only to the catalog specified; if major requirements change and the student elects to follow the newer requirements, this contract is void.

If a student meets all of the degree/program requirements but cannot graduate in four years because a course or courses are not available, the student will meet with her advisor as soon as the problem is discovered to discuss options for completion. These options could include a course substitution, an independent study, or permission to enroll in the course in a subsequent semester at no tuition cost to the student.
Required Meeting Schedule:

|  | Semester 1 | Semester 2 | Semester 3 | Semester 4 |
| :---: | :---: | :---: | :---: | :---: |
| Beginning of Semester | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator |
| Prior to registration | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator |
|  | Semester 5 | Semester 6 | Semester 7 | Semester 8 |
| Beginning of Semester | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator |
| Prior to registration | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator | $\qquad$ Advisor $\qquad$ 4YG Coordinator |

I agree to the stipulations set forth in this agreement.

FALL 2014

FALL 2015

## SPRING 2017

FALL 2017

* Complete 5 credits from: BIO 207, 224, 227, 228, 313, 323, 353 ITwo semester course.
${ }^{* * *}$ Electives must be included to ensure that the overall total number of credits reaches the 120 credits needed to complete a degree.

## Liberal Arts Curriculum (LAC) for Environmental Conservation majors

## Natural Science: One must be a lab-based course

1. BIO 123 (lab)
2. BIO 124

Arts: 6 cr . total, one must be a 3 cr . course*
1.
2.

Mathematics \& Logic: 6 cr total, one mathematics course

1. MAT 141
2. BIO 248

## Ethics: 3 cr .

1. ETL 235 or Environmental Stewardship LLC (E.A.R.T.H.)

## Technology:

1. BIO 231, 239, 350, and 356

## Oral Presentation:

1. BIO 231, 239, 350 , and 356

## Writing: 6 cr .

1. WRI 100
2. BIO 356

## Humanities: 6 cr . total from two disciplines*

1. 

Social Science: 6 cr. total from two disciplines*

1. ANT 100
2. 

## Global Studies: 3 cr .

1. BIO 309

## Information Literacy:

1. BIO 231, 239, 350, and 356
[^0]
[^0]:    * The 4 disciplines used to fulfill the Humanities and Social Science requirements cannot be used to fulfill the Arts requirement.
