

Summer EZ PAY PLAN Options

When considering how you are going to finance your education, focus first on exploring the funding avenues that do not have to be repaid. Consider searching for organizations that offer scholarships such as your local church or high school alumni association. Be sure to complete the FAFSA to be considered for any need-based financial aid. Finally, determine how much you may be required to pay out of pocket. If you think a payment plan is not for you, check out the info below:

BENEFITS

Your investment in education increases dramatically when you rely on loans or other interest-bearing options. Paying as much as possible from current income and savings is an easy way to minimize that debt – especially if you can spread those payments over several months. With the Cedar Crest College **interest-free** EZ Pay Plan, you borrow less, which saves you money on interest.
