## PUBLIC HEALTH (COMMUNITY HEALTH) Four-Year Graduation Guarantee 2014-2015 Catalog

Cedar Crest College's Four-Year Graduation (4YG) Guarantee is open to all academically qualified candidates enrolled full-time in a 4-year bachelor's degree program, with the exception of Nuclear Medicine Technology. It does not apply to dual degree, fifth-year, or graduate programs. Provided students comply with all of the conditions of the program, Cedar Crest College will guarantee graduation within four years. The guarantee extends to one major only. While many students add additional majors and finish within four years, Cedar Crest will not be able to provide four year guarantee in those cases.
