

Cedar Crest College's Four-Year Graduation (4YG) Guarantee is open to all academically qualified candidates enrolled full-time in a 4-year bachelor's degree program, with the exception of Nuclear Medicine Technology. It does not apply to dual degree, fifth-year, or graduate programs. Provided students comply with all of the conditions of the program, Cedar Crest College will guarantee graduation within four years. The guarantee extends to one major only. While many students add additional majors and minors and finish within four years, Cedar Crest will not be able to provide four year guarantee in those cases.

- complete the following and all other Dance major requirements:

Date

- Earn a grade of C or better in all courses taken for application toward all major requirements for the Dance major.
- o Register for advanced techniques classes in the junior and senior years.
- Present a Senior Project proposal for departmental approval and seek an advisor for the project by April 1 in their junior year. No projects will proceed without departmental approval.
- Participate in a minimum of two faculty supervised dance productions, theatre productions and/or performing arts practicums.
- o Abide by all other Performing Arts Departmental Policies and successfully meet all other graduation requirements.

The 4YG does not guarantee that courses will be offered at a particular time or on particular days, nor can it assure graduation in four years if accreditation agencies require immediate curricular changes. This agreement pertains only to the catalog specified; if major requirements change and the student elects to follow the newer requirements, this contract is void.

If a student meets all of the degree/program requirements but cannot graduate in four years because a course or courses are not available, the student will meet with her advisor as soon as the problem is discovered to discuss options for completion. These options could include a course substitution, an independent study, or permission to enroll in the course in a subsequent semester at no tuition cost to the student.
