10. Bookstore Accounts:

Only students carrying a tentative credit on their student account will have an account opened automatically at the College's bookstore one week prior to the start of classes. The bookstore account will remain open until all financial aid is disbursed to the College and refunds are processed. Students can charge books to their bookstore account by using their student ID card at the Cedar Crest College Bookstore.

11. Refund Checks and eRefunds

Refunds will automatically be issued to students once all financial aid is disbursed to the College. Current College policy allows only for refund checks to be **mailed** to the current billing address on file — students may not pick up refund checks. Refunds are issued within 14 days of the date the funds are received by the College and credit balance created.

4. EZ Pay Plans:

The College offers a no-interest payment plan called the EZ Pay Plan, which allows families to budget a semester's balance over a five (5) month period (fall payments begin in July, and spring payments begin in December). Monthly payments are due by the 20th of the month. Families can self-enroll through the student's my.cedarcrest.edu account to pay any portion of the semester amount due through this plan. There is an enrollment fee of \$25 per semester to use this plan.

Important: If you are not enrolling for the full semester

balance, you will need to enroll for EZ Pay Plan by contacting the Student Financial Services at 610-606-4602.

5. Federal Direct Stafford Loan Confirmation:

If your financial aid award includes a Federal Direct Stafford Loan, you will need to complete the Federal Direct Stafford Loan Confirmation. This confirmation will allow you to accept, reduce or cancel your loan(s). Loan confirmation can be found by logging on to my.cedarcrest.edu. Under Quick Links, select Student Financial Services, then select Loan Confirmation and complete Step 1.

If you are a first time Federal Direct Stafford Loan borrower at Cedar Crest College, you will need to complete Step 2 Federal Direct Stafford Loan Entrance Counseling and Step 3 Federal Direct Stafford Loan Master Promissory Note (MPN) by using your new FSA ID.

6. Federal Direct Parent Plus Loan:

This is a federal loan made to either parent (or step-parent) of a dependent student. The borrower may apply to borrow an amount up to the student's cost of attendance minus financial aid. The interest rate is fixed each academic year. Repayment starts 60 days after the loan is fully disbursed, though deferment is available while the student is enrolled at least half-time. If a parent is determined not to be creditworthy and is denied for this loan, the student is automatically qualified for additional annual Unsubsidized Stafford Loan funds of \$4,000 for freshman and sophomores or \$5,000 for juniors and seniors. To apply for this loan, go to www.studentaid.gov. Additional information regarding the loan process can be found on my.cedarcrest.edu.

7. Private Educational Loans (Student or Parent):

• Student

terms, including fees, interest rate (variable verses fixed), adjustments, etc. Students must have a credit-worthy co-signer to qualify. For some loan programs, principal and interest may be deferred while the student is enrolled in school at least half-time. The College has a list of private educational loans available at my.cedarcrest.edu or by going to www.elmselect.com.

• Parent or Other

These are private parent education loans a parent or other eligible non-student individual (grandparent, aunt, uncle or anyone willing to take the loan on the student's behalf) may borrow and should be investigated carefully regarding all terms, including fees, interest rate (variable verses fixed), adjustments, etc. The parent or other borrower must be credit-worthy. If the borrower is not credit-worthy, a co-borrower may be needed to qualify. The maximum amount that may be borrowed is the school's cost of attendance minus any other financial aid. Fees and interest rates for these types of programs vary greatly and depend upon the credit criteria of the borrower and co-signer. The College has a list of private parent educational loans available at my.cedarcrest.edu or by going to www.elmselect.com.
