2026-2027 Verification (V1) Worksheet
Independent Student

Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal regulations indicate before awarding Federal Student Aid, we must ask you to confirm the information you and your spouse, if applicable, reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected, and we may request additional information.

A. STUDENT INFORMATION

Student's Full Name: _____ Student ID: _____

Student's Phone Number: _____ Student SSN: _____

B. FAMILY SIZE

Family Size - Includes the following:

- The student.
- The student's spouse, if applicable.
- The student's dependent children if **all** the following are true:
  - They live with the student (or live apart because of college enrollment),
  - They receive more than half of their support from the student; and
  - They will continue to receive more than half their support from the student during the award year.
- Other persons if the following are true:
  - They live with the student,
  - They receive more than half of their support from the student; and
  - They will continue to receive more than half their support from the student during the award year.

The provided criteria for "dependent children" or "other persons" mirror the requirement that family size align with those the student could claim as a dependent on a U.S. tax return if the student were to file a U.S. tax return at the time of completing the 2026-2027 FAFSA. As a result, the student should not include any unborn children in the family size.

Full Name (ALL who meet the above criteria)	**Age**	**Relationship**
		(Self)

If more space is needed, provide a separate page with the student's name and ID number at the top.

C. VERIFICATION OF 2024 INCOME INFORMATION FOR STUDENT TAX FILERS

IMPORTANT NOTE: The instructions below apply to the student and spouse (if the student is married). The student must contact Student Financial Services if the student and spouse filed separate IRS income tax returns for 2024 or had a change in marital status after December 31, 2024.

STUDENT TAX FILER INSTRUCTIONS: Complete this section if the student and spouse, if applicable, filed or will file a 2024 IRS income tax return(s). As part of federal student aid eligibility, the students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS via the FA-DDX.

If 2024 income tax return information for the student (or spouse, if applicable) was not transferred via the FA-DDX and considered verified, the student and spouse should provide the institution with a **2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.**

A **2024 IRS Tax Return Transcript** may be obtained through:

- Get Transcript by Mail – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and ***NOT*** the "Account Transcript." *The transcript is generally received within 10 business days from the IRS's receipt of the online request.*
- Get Transcript Online – Go to www.irs.gov , click "Get Your Tax Record." Click "Get Transcript Online." Make sure to request the "Return Transcript" and ***NOT*** the "Account Transcript." Follow the instructions to create an ID.me account if you do not already have one. If you need help creating an ID.me account or verifying your identity, visit the ID.me IRS Help Site.
