

Cedar Crest College's Four-Year Graduation (4YG) Guarantee is open to all academically qualified candidates enrolled full-time in a 4-year bachelor's degree program, with the exception of Nuclear Medicine Technology. It does not apply to dual degree, fifth-year, or graduate programs. Provided students comply with all of the conditions of the program, Cedar Crest College will guarantee graduation within four years. The guarantee extends to one major only. While many students add additional majors and minors and finish within four years, Cedar Crest will not be able to provide four year guarantee in those cases.

Conditions

By signing below, I, \_\_\_\_\_ am enrolling in the 4YG program for the Educational Studies major under the 2018-2019 catalog requirements and I agree to:

- assume ultimate responsibility for monitoring my academic progress and the completion of all academic requirements;
- enroll at Cedar Crest for four continuous academic years;
- remain in good academic standing; attain a minimum GPA of 2.0 in coursework completed prior to applying for acceptance into the Educational Studies Major
- complete an average of 30 new credits in each academic year. *Note: Courses must be selected in consultation with your academic advisor and 4YG coordinator and must apply to the recommended course sequence on page 2;*

- be responsive to communication from Cedar Crest College, including advisors and the 4YG coordinator;
- officially apply to the Educational Studies major by the completion of 48 credits, after fulfilling all admissions requirements for application into the major (listed below). *If a change of major is requested after 48 credits, the ability to sign a new 4YG contract is not guaranteed.*
  - Complete the following coursework with a grade of C or better: ECE 101 OR EDU 100, COM 100, and PSY 100
  - Complete and submit applications for background checks and acquire the following required clearances:

    - Tuberculosis Test- Mantoux
  - Complete one semester of study at Cedar Crest College (a minimum of 12 earned credits)

The 4YG does not guarantee that courses will be offered at a particular time or on particular days, nor can it assure graduation in four years if accreditation agencies require immediate curricular changes. This agreement pertains only to the catalog specified; if major requirements change and the student elects to follow the newer requirements, this contract is void.

If a student meets all of the degree/program requirements but cannot graduate in four years because a course or courses are not available, the student will meet with their advisor as soon as the problem is discovered to discuss options for completion. These options could include a course substitution, an independent study, or permission to enroll in the course in a subsequent semester at no tuition cost to the student.
