**GST majors must also fulfill the international language experience requirement. Details on that requirement are outlined below.**

±This required course is only offered every other year. Students should plan to take this course when suggested in the rotation.

\*GST Interdisciplinary Electives consist of a set of classes taken across various disciplines. See the following page for a complete list of applicable electives

\*\*If students elect to not take the SYE, they need to participate in another International Immersion experiences, such as an internship with international scope, a study away experience (a study tour offered as part of an academic course) or a study abroad experience.

\*\*\*Electives must be included to ensure that the overall total number of credits reaches the 120 credits needed to complete a degree.

## Liberal Arts Curriculum (LAC) and College-Wide Requirements

*\*\*Many of the GST Interdisciplinary Electives will also satisfy LAC requirements.*

*Work if your advisor to identify which classes will meet both requirements\*\**

<b>Natural Science (SCI): 7 cr. total, one must be a lab-based course</b>
1. _____
2. _____

**International language experience:** This requirement will usually be satisfied in one of three ways:

1. Demonstrated proficiency at the intermediate-low level via an online placement test. This test is offered at Cedar Crest for speakers of Spanish.
2. Completion of an international language course of the student's choice (3 credits minimum or the equivalent). A student may take a course in a language of the student's choice at the appropriate level to match the student's level of fluency via these methods
  - Cedar Crest College course taken in Spanish
  - A course offered by LVAIC, Acadeum, NCC or other community college, or as part of a student's study abroad program
3. Transfer credit for a college-level course taken prior to enrollment at Cedar Crest, for example, at a community college or via an advanced placement test
