

CEDAR CREST COLLEGE

Information Technology

Welcome to Cedar Crest!

Technology plays a large role in your success as a student. To ensure that success, please visit the I.T. Support Center Site from the link below.

<http://help.cedarcrest.edu>

Look under the New Students link to find information including:

- Campus Email access
- Online Course information
- Directions for accessing our FalconNet wireless network
- Information on campus computer lab locations and how to use your print quota

Enjoy your first semester at Cedar Crest College, I look forward to seeing you on campus!

Shannon Pretko, Helpdesk Manager, Information Technology Department
