

Cedar Crest College's Four-Year Graduation (4YG) Guarantee is open to all academically qualified candidates enrolled full-time in a 4-year bachelor's degree program, with the exception of Nuclear Medicine Technology. It does not apply to dual degree, fifth-year, or graduate programs. Provided students comply with all of the conditions of the program, Cedar Crest College will guarantee graduation within four years. The guarantee extends to one major only. While many students add additional majors and minors and finish within four years, Cedar Crest will not be able to provide four year guarantee in those cases.

Conditions

By signing below, I am enrolling in the 4YG program for the Nursing major under the 2020-2021 catalog requirements and I agree to:

- assume ultimate responsibility for monitoring my academic progress and the completion of all academic requirements;
- enroll at Cedar Crest for four continuous academic years;
- remain in good academic standing;
- complete an average of 30 new credits in each academic year. *Note: Courses must be selected in consultation with your academic advisor and 4YG coordinator and must apply to the recommended course sequence on page 2;*
- maintain the GPA requirements of the Nursing and Intended Nursing major;
- meet regularly with my assigned academic advisor and 4YG coordinator following the schedule outlined below;
- resolve all outstanding holds that would prevent registration prior to the start of registration for each semester;
- register for classes each semester on the date appropriate for class standing as set forth by the Registrar prior to full acceptance into the Nursing program;
- be responsive to communication from Cedar Crest College, including advisors and the 4YG coordinator;
- declare an Intended Nursing major by the completion of the first semester. *Note: If a change of major is requested after 30 credits, the ability to sign a new 4YG contract is not guaranteed.*
- complete the following and all other Nursing major requirements:
 - Earn a cumulative GPA of 2.5 or higher to prior to acceptance to the major.
 - Earn a GPA of 2.7 or higher in Nursing pre-requisite courses: BIO 117, 118, 127; CHE 103; NTR 210; MAT 110; PSY 100, 210; SOC 100. A grade of C or higher is required in MAT 110; PSY 100, 210; and SOC 100. A grade of B- or higher is required in four of the following five science courses: BIO 117, 118, 127; CHE 103; NTR 210. Only one science pre-requisite course may be repeated due to a grade less than a C; only one repeat is permitted.
 - Complete 62 credits prior to beginning the junior year.
 - Earn a satisfactory score on the Test of Essential Academic Skills (TEAS). The TEAS must be taken at Cedar Crest College. Students may retake the TEAS once.
 - Earn acceptance into the major. Acceptance is based on the Nursing pre-requisite GPA, basic English Composition grade, TEAS score, and the number of credits completed at Cedar Crest College.
 - Present and maintain satisfactory clearance in the following: Report of Health Evaluation and Medical History; Immunizations, Titters, Current PPD, and annual flu shot; Drug and Alcohol Screen; CPR certification which must be either American RED Cross CPR/AED for the Professional Rescuer or American Heart Association Basic Life Support for Health Care Providers; Proof of Health Insurance; FBI Criminal History Clearance; Child Abuse History Clearance; and PA Criminal History Clearance.
 - Adhere to all policies set forth by the Undergraduate Nursing Student Handbook

The 4YG does not guarantee that courses will be offered at a particular time or on particular days, nor can it assure graduation in four years if accreditation agencies require immediate curricular changes. This agreement pertains only to the catalog specified; if major requirements change and the student elects to follow the newer requirements, this contract is void.

If a student meets all of the degree/program requirements but cannot graduate in four years because a course or courses are not available, the student will meet with their advisor as soon as the problem is discovered to discuss options for completion. These options could include a course substitution, an independent study, or permission to enroll in the course in a subsequent semester at no tuition cost to the student.

I agree to the stipulations set forth in this agreement.

Student Name (Print)	ID Number	Signature	Date
Advisor Name (Print)		Signature	Date
4YG Coordinator (Print)		Signature	Date

FALL 2021

Course	Cr	Title	✓
MAT 107	3	Mathematics for Health Care Professionals	
CHE 103	4	Concepts in Chemistry	
SOC 100	3	Introduction to Culture and Society	
FYS ____	3	First Year Seminar	
CCC 101	0.5	College Life	

SPRING 2022

Course	Cr	Title	✓

PSY 100	3	Introduction to Psychology	
MAT 110	3	Probability and Statistics	
WRI 100	3	College Writing	
CCC 102	0.5	Exploring Your Future	
_____	3	Humanities LAC course	

FALL 2022

Course	Cr	Title	✓
BIO 117	4	Human Anatomy and Physiology I	
PSY 210	3	Lifespan Development	
_____	3	Humanities LAC course	
_____	3	Art LAC course	
_____	3	Elective***	
_____	2	Elective*** (added due to curricular changes)	

SPRING 2023

Course	Cr	Title	✓
NTR 210	3	Principles of Human Nutrition	
BIO 118	4	Human Anatomy and Physiology II	
_____	3	Art LAC course	
_____	3	Writing II LAC course	
_____	3	Elective***	
_____	2	Elective*** (added due to curricular changes)	

****Students must complete 66 credits and be fully accepted into the Nursing major prior to beginning the junior year.**

Changes to the nursing curriculum will be implemented in Fall 2022. Details of changes TBD. This will reduce the credits for the major from 90 to 85, thus accounting for the addition of two (2) 2-credit courses in Fall 2022 and Spring 2023.

FALL 2023

Course	Cr	Title	✓
NUR 309	5	Health Promotion I	
NUR 311	3	Health Assessment	
NUR ____	3-4	NUR 313 Mental Health Promotion or NUR 326 Concepts in Professional Nursing	
NUR 314	3	Pharmacology	

SPRING 2024

Course	Cr	Title	✓
NUR 320	4	Family Health Promotion I	
NUR 321	4	Health Promotion II	
NUR ____	3-4	NUR 313 Mental Health Promotion or NUR 326 Concepts in Professional Nursing	
NUR 322	2	Essentials in Nursing Research	

FALL 2024

Course	Cr	Title	✓

NUR 331	5	Health Promotion III	
NUR 332	3	Evidence-based Practice for Nursing	
NUR 335	5	Leadership in Nursing	

SPRING 2025

Course	Cr	Title	✓
NUR 333	5	Health Promotion in the Community	
NUR 341	4	Complex Health Problems	
NUR 342	4	Independent Practicum	

*** Electives must be included to ensure that the overall total number of credits reaches the 120 credits needed to complete a degree.

Liberal Arts Curriculum (LAC) and College-Wide Requirements

Natural Science (SCI): 7 cr. total, one must be a lab-based course
1. BIO 117
2. BIO 118
Arts (ART): 6 cr. total, one must be a 3 cr. course
1. _____
2. _____
Mathematics & Logic (ML): 6 cr. total, one must be a MAT course
1. MAT 107
2. MAT 110
Ethics (ETH): 1 course, 3 cr.
1. NUR 335
Technology:
1. Fulfilled through completion of the major
Oral Presentation:
1. Fulfilled through completion of the major

Writing (WRI1, WRI2): 2 courses, 6 cr. total
1. WRI 100
2. _____
Humanities (HUM): 2 courses, 6 cr. total
1. _____
2. _____
Social Science (SS): 2 courses, 6 cr. total
1. SOC 100
2. PSY 100
Global Studies (GS): 1 course, 3 cr.
1. NUR 333
Information Literacy:
1. Fulfilled through completion of the major
