**Instructions for Petitioning
COMMITTEE ON UNDERGRADUATE EDUCATION
OR ACADEMIC STANDARDS AND POLICIES COMMITTEE**

1. Students should fill out the appropriate demographic information: Name, date, address, ID number, email, and phone number.
2. In the section that begins, "I request permission to...", students should explicitly outline their plans. (i.e. Take CHE 350 at XYZ University over the summer)
3. The student should then indicate the reason for the request in the appropriate section of the form, attaching additional relevant information as necessary. An example could be this:
"This course was scheduled to run during the spring semester. However, after sustaining injuries in an automobile accident of the winter break, I was unable to enroll in any spring courses. The course will not run again for another two years, and this course is a requirement for my major; I cannot progress without it. Therefore, I plan to take the course over the summer at XYZ University."
4. Petitioning students should consult with their advisors, who should indicate their position regarding the student's request. The advisor should include a statement to support his or her position: "This student will not have the opportunity to enroll in this course at Cedar Crest College due to the course rotation schedule. Therefore, I support her petition to transfer credit within her final 30 credits."
5. Additional faculty members, such as the department chair, may sign the petition as well.
6. Once the petition is complete, the student should submit 10 copies to the Registrar's Office, Curtis Hall Room 136.
