\*If a student enters the program with no previous experience in Spanish, she must begin with SPA 101 and will have to take two LVAIC courses in her final year to complete the major. If she enters with previous Spanish experience, she will be placed at the appropriate level, and her course of study will be adjusted in consultation with her Spanish faculty advisor; in this case, she may or may not need to take an LVAIC course.

\*\*\*Electives must be included to ensure that the overall total number of credits reaches the 120 credits needed to complete a degree.
