

Need a Tutor?

Most tutoring appointments are made online by logging onto MyCedarCrest

Writing Center Appointment

MyCedarCrest → Current Students Tab → Academic Services Folder → Schedule a Writing Center Appointment!

The screenshot shows the MyCedarCrest website. The top navigation bar includes tabs for Students, Women's Leadership, Student Affairs, and Academic Services. The Academic Services page is displayed, featuring a red banner that says "Schedule a Writing Center Appointment!". Below this, text explains that WOnline allows users to make Writing Center appointments and provides a link to "Click here for WONLINE". To the right, a separate window shows the "Cedar Crest College Writing Center" login page, which includes fields for Email Address, Password, and a dropdown menu to choose a schedule (currently set to "Writing Center Schedule Spring 2012").

Subject Peer Tutoring For a Specific Course

MyCedarCrest → Current Students Tab → Academic Services Folder → Tutor Request Form

The screenshot shows the "Tutor Request Form" on the MyCedarCrest website. The form is titled "Tutor Request Form" and includes fields for Name, E-mail Address, Course Number and Section, Phone Number, and Referral Source. Below these fields is a section for "Additional information for Academic Services:" with a text area. At the bottom, there is a checkbox for "Please read the following information and check the box below if you agree with the terms of the contract:" and a link to "Tutee Contract".

Online Tutoring Via Smarthinking

MyCedarCrest → Current Students Tab → Academic Services Folder → Smarthinking

The screenshot shows the "Smarthinking Access" page on the MyCedarCrest website. The page features the Smarthinking logo and the tagline "The leader in on-demand student support." Below this, text explains that Smarthinking provides students 24/7 access to tutoring and provides a link to "Click here to connect to Smarthinking." To the right, a separate window shows the "Transfer Existing Smarthinking Account ?" page, which includes fields for Username and Password, and buttons for "Transfer Account" and "Skip".
